Subject: Retention of Materials

25X1

Reference: [redacted] dated 12/6/68

The materials transmitted by the reference letter were used in fulfillment of the contract discussed in paragraph 1 of the referenced letter. That contract was completed on 17 January 1969.

Paragraph 2 of the reference letter stated a requirement for return of the data upon termination of said contract.

25X1

A continuation of the work effort has begun under Contract Number [redacted] which became effective 24 February 1969. The referenced material is needed for fulfillment of Tasks #5,7 and 8 of the new contract.

Accordingly this Contractor requests approval for retention of the subject material as required or until termination of the current contract.

Sincerely,

[redacted]
